Wellington Bus Drivers

Transporting the 'coolest little capital' in the World!

- **Family driven and slightly bus crazy team!**
- **Opportunities for a better work / life balance available**
- **Join the squad bringing electric buses to New Zealand**

About us:

Tranzit Group is one of New Zealand's largest family owned transport companies operating since 1924. We deliver high-quality, award-winning public transport and tourism services nationwide. The newest addition to our Group, tranzurban will operate a big part of the new Metlink bus network from mid-2018 in collaboration with Greater Wellington Regional Council. With a 1000-strong crew and growing, this is a fast-paced industry and an exciting time to be joining our team.

About the role:

We have a range of urban driver positions available across the Wellington region designed to suit a variety of lifestyles. We are looking for experienced bus drivers and people new to the industry. We will provide the training and licencing to get you driving a bus, and you'll bring a positive personality to the team. You will also have a desire to work within your community delivering fantastic public transport, while driving New Zealand's most modern fleet, around our coolest little capital.

Are you...

- A team player with a positive outlook
- Willing to learn new methods
- Passionate about delivering awesome transport experiences to your communities
- A calm communicator who can constructively work alongside people from all backgrounds
- A confident driver with a clean driving record, who has had a Class 1 FULL licence for at least 2 years

Why you should apply:

- Competitive pay and team benefits
- Family business with a strong leadership team you can be proud of
- Flexible work hours available
- Variety of shifts – achieve your preferred work / life balance
- Career progression – our wider operations span all vehicle sizes and types as well as charters, tours, route services, Kiwi Experience and large-scale nationwide events – plus the support teams to keep the wheels turning!
- NZQA accredited with full training kit provided
- Choose your location of work, with new depots being built in Upper Hutt, Lower Hutt, Wainuiomata, Grenada and Rongotai (limited positions available at each depot)
- Full assistance for Class 2, or Class 4, licencing and Passenger Endorsement – we pay for you to get qualified.

Be quick to secure your preferred location

Applicants for this position should have NZ residency or a valid NZ work permit.
